

A SMASH BESTSELLER!
THE MOST INTIMATE PORTRAIT OF KENNEDY
THAT WILL EVER APPEAR!

MY TWELVE YEARS WITH JOHN F. KENNEDY BY EVELYN LINCOLN

PERSONAL SECRETARY TO THE PRESIDENT

THE STORY ONLY ONE PERSON KNEW!

"Her memory for choice anecdotes and gossip quotes is first-rate. Her pages are scattered with these like currants in a cake—young Senator Kennedy's courtship and marriage, the birth of Caroline and John, the children's charming irruptions into solemn White House parleys."

Saturday Review

"She provides a marvelously detailed report on the small things that make a human being out of a personage. And as an honest writer, she lets the warts show. Future historians may be extraordinarily grateful for the fragments of behavior, of taste, of living habits, and work methods and idea development that Mrs. Lincoln offers . . . Her book will be read principally because it provides human footnotes for the more analytical and high-domed historic volumes."

ABOUT THE AUTHOR

Born in Nebraska, the daughter of a U.S. Congressman, EVELYN LINCOLN attended law school after college and worked as a secretary in several Washington offices before she came to work for Kennedy. Mrs. Lincoln is today a member of the staff working on the Kennedy papers, and she and her husband, also a lawyer, live in Washington.

THE BOOK THAT ONLY ONE WOMAN COULD WRITE!

Evelyn Lincoln was John F. Kennedy's personal secretary for twelve years. He revealed himself to her as to no other person. She was with him in his office after the world's great men had come to consult and counsel. She knew his personal thoughts on communism, war and politics...on women, movies and books. She was alone with him after the secret sessions with his most confidential advisors. She accompanied him on campaign trips and triumphal tours. She shared senatorial and presidential days in Washington, Hyannis Port, Palm Beach and Dallas. This is her story—the book that only she could write—a warm, personal and loving account of those shining years, an intimate portrait of a great man.

MY TWELVE YEARS WITH JOHN F. KENNEDY

"AN EXTREMELY READABLE, INFORMAL, THROUGH-THE-OFFICE-DOOR PORTRAIT OF THE MAN. IT IS A REMARKABLE JOB—EXCITING, SPIRITED, PERSONALLY FRANK."
