27th year of Issue

25

years of service to the nation

*Twentyfive years ago the spirit of service inspired the determination that sowed the seeds of Sulekha. From a humble beginning, the struggle began. Painstaking research guided by a missionary zeal could alone create the unchallenged quality of Sulekha Ink.*

*To-day, Sulekha's contribution towards national self-sufficiency in the ink industry is too obvious. Research continues, as science is fastly progressing. An additional unit of production is being built. Claiming no more than what has been achieved, Sulekha pledges anew to serve you better for days to come.*
