THE FOUNTAINHEAD Now-

ATLAS SHRUGGED

The astounding story of a man who said that he would stop the motor of the world—and did.

The many thousands who discovered Ayn Rand's *The Fountainhead* to be one of the most original and challenging novels in years will find in *Atlas Shrugged* a still greater and more exciting expression of the same daring view of life presented with the same brilliant story-telling power.

If, after reading *Atlas Shrugged*, you find, as most readers do, that you want to re-read it many times, a hardbound edition is available at \$6.95 from Random House, 457 Madison Avenue, New York 22, New York.
