HERE'S YOUR HOYLE

Here are the 150 most popular games that America plays—at home and in the armed forces—in peacetime and in wartime.

Here are the rules of the game—the penalties demanded when the rules are broken—the winning methods used by the experts—tips on improving your play—and everything you need know to play the game *right* and to play it *well*.

THE POCKETBOOK OF GAMES not only teaches you to play the game “according to Hoyle” but to play it to win!

This unique book has been specially prepared for POCKETBOOKS by Albert H. Morehead, one of America's foremost game experts. Written in simple, readable language, with many illustrations for greater clarity, it is an authoritative guide to greater game enjoyment for the whole family.
