**It Pays to Enrich Your Word Power**  
BY PETER FUNK

Among the most popular radio personalities today are those who, each week, provide millions of people with the chance to speak out, share their hopes and vent their anger and frustrations. The following words may help you sound off more clearly and forcefully if you decide to phone in your take on the news or please your employer in a meeting in the big ol'

There are two kinds of gestures: ordinary and the magnificent. In the ordinary of Richard Feynman in the company of the physicist, Feynman's slight provocation and a highly charged actor, belonged to the very top of glory. The following words are taken from the book. Tick the word or phrase you believe is nearest a meaning to the word. Answer all of page 44.

**The Finest Selection from Reader's Digest**

# It Pays to Enrich Your Word Power

By Peter Flinn

Remember, it's not the words you know, but the words you use that count. The more words you know, the more you can use to express your thoughts. Use the words you know to make your writing more powerful.

Remember, it's not the words you know, but the words you use that count. The more words you know, the more you can use to express your thoughts. Use the words you know to make your writing more powerful.

- 1) **ambiguity** (an-uh-gwuh-tee) - A quality or condition of being unclear.
- 2) **ambitious** (an-uh-bish-ee-uss) - A quality or condition of being ambitious.
- 3) **ambitious** (an-uh-bish-ee-uss) - A quality or condition of being ambitious.
