# HERBS FOR NATURAL HEALTH

This authentic guide embodies the work of the world's two greatest herbalists—Dr. William J. Simmonite and Nicholas Culpeper. Many of their remedies were known as far back as the 17th century. Those of Dr. Simmonite were used during his practice in recent times. All are proven valuable and effective for their remarkable healing properties.

Including:

- Part I: Healing properties of easy-to-find herbs
- Part II: A directory of ailments and symptoms with their herbal cures
- Part III: Prescriptions you can make at home
