VASANTHA SAI'S VISIT TO DELHI

*I dedicate this eventful
travel diary at the lotus feet of my dearest
Amma who is Sri Krishna's Radha*

We went to the temple. Temple is on the mountain & it's very steep. Winch service is available. Today being Sashti a lot of devotees were coming to temple & most of them were climbing the mountain. We went up by winch. We had a good darshan. Amma told the stories related to this temple in her inimitable style. We took breakfast in the temple canteen as prasad. Around 9.30a.m. we started for Coimbatore & reached Yamini's house at about 12noon.

The devotees were waiting for Amma very anxiously. Amma had a poorna kumbha reception. With overflowing love Amma was taken straightaway to pooja room. There the plate was ready with flowers to keep Swami's padukas & Sai Krishna. Amma was very happy to place her beloved ones on the plate. Amma & all devotees were lost in sharing their emotions. After some time all of us took a wash. Food was offered to Swami. All of us ate the delicious food with contentment. I ate in the plantain leaf in which Amma had taken food. Every one passed some or the other comment on my act. S.V. gave a knock on my head & said, "You have found a good shortcut to Amma." After food S.V. returned to Madurai & the devotees again surrounded Amma. Devotees from Namakkal, Erode had come along with local devotees. We had brought books written by Amma in Tamil. Almost all the devotees bought the books. Amma & myself went for rest after 2 p.m. & got up at 2.30. Mrs Kanchana from Erode combed Amma's hair & Amma was sitting like a small child. Kanchana was Yashoda in Dwapar Yuga. At sharp 3.15 bhajans started. One flower fell. Swami came during Bhajans, sat on chair, walked in between the devotees, blessed all present & then received Arathi. Miracle was Amma did not aspire for proof & all of us do believe her. (Swami came in subtle form).

Evening we went to Naga Sai temple. It is a temple of Siradi Baba. On the way Mrs. Sarojiniamma told the story of this temple. On the day of vasthu of this temple one Devotee saw a big snake with hood in the temple premises. He was told in dream by Baba

Amma. Wrote a few bhajans in Amma's diary. Amma was sharing her experiences with Yamini's family. In no time it was 12 noon. We sat in meditation. After 4p.m. Meditation we went to Subramaniamji's house. He is a long time devotee of Swami. He & his family gave a warm welcome to Amma.

Here also Amma kept Liberation 3rd book's script for blessings. After bhajans when we saw, Swami had sprinkled kum-kum like a spray! My time also arrived to get separated from Amma! I took leave of Amma & left for Nagercoil with heavy heart & optimism that I will be able to meet her in person at earliest.

Om Sri Sai Vasanth Sayee Sai Namah.
