MONEY-SAVING PRICE CUTS

January 2, 1968

Allied wants you as a customer.

We want to show you how well we can serve you and how much you can save by buying from us. The demand for the Allied catalog has been so great that we have made a second printing. We have included this extra section to show you the pick of the newest from our Winter Sale Book, plus many special new price cuts.

You will save up to \$120.00 on these best sellers. Look them over carefully. Of course, you will also want to see the complete selections this great catalog brings to you. Every order to Allied gives you savings and assured quality on every single item.

We invite you to use Allied's Credit Fund Plan. No money down — up to two years to pay.

These special offers expire May 31, 1968.

ALLIED guarantees your complete
satisfaction or your money back

If for any reason you are not satisfied with your purchase, when it is in use we will exchange it or return your money less transportation charges. Merchandise returned must not have been abused in any way or, in the case of kits, completely assembled.
