JOHN STEINBECK'S MASTERPIECE

THE GRAPES OF WRATH

complete and unabridged

THE GRAPES OF WRATH
BY JOHN STEINBECK

JOHN STEINBECK'S MASTERPIECE
THE GRAPES
OF WRATH

The way of life it describes is no more, but the book still lives on, as it always will—the epic chronicle of man's struggle against injustice and inhumanity. With the passage of the years, the story it tells of the Joads and their journey to "the golden land" is not so much just the story of one family and one time, but the story of the courage and passion of all men throughout history. "Great . . . impassioned and exciting. It is Steinbeck's best novel, his toughest and tenderest, his roughest written and his most mellifluous, his most melodramatic, his angriest and most idyllic."
—*Time Magazine*

John Steinbeck's great novel of America—one of the most widely read novels of the century.
