DESIGNED FOR EASY READING

SHAKESPEARE was a great teller of tales. He could say beautifully and passionately what the whole world knows but cannot say so well. This edition of the tragedies is designed for the enjoyment of the modern reader. The complete, unaltered Cambridge text is clear and understandable. The story of each play is summed up briefly by J. Walker McSpadden. A glossary for each play at the end of the book explains all unusual words or terms. The cast of characters of each play is illustrated by Louis Glanzman. Mark Van Doren's fine prefaces introduce these four great tragedies and cast new light on some of the greatest, most inspired writing in the English language.

Front cover design by David Sotherby
