# LILY TEAL

Blonde, 5'5" tall, 112 lbs.

Her disappearance was listed on the police blotter as a routine Missing Persons Case, but Captain Parker was convinced she'd been murdered. And he ordered AL WHEELER to find her killer fast!

Faced with no corpse and no clues, the California cop is forced to follow a dangerous lead. It takes him straight to the secluded harem of a crooked financier who gets Al jailed on a phony assault charge and nails him with a false murder rap—the perfect frame to hang a troublemaker . . . named Wheeler.

Carter Brown is the sensational author of the Al Wheeler, Danny Boyd, and Mavis Seidlitz thrillers. His books have sold over 25,500,000 copies throughout the world and are available in the United States only in Signet editions.
