# The book that made US publishing history—

week after week top of the non-fiction bestseller list

In telling every reader how to achieve the ultimate in sexual satisfaction, Dr Reuben talks to you in a way that no one ever has before.

He answers every question frankly, with unique warmth and a lively wit. In fact, you will find a laugh on every page.

Using terms you can readily understand, this up-to-date guide to the facts of life leaves no facet of human sexual activity unexplored or unexplained.

**'Is there something lacking in your loving?  
This book brings a message of  
refreshing hope, a promise that will  
put the sparkle back in your eye.  
Sex isn't solemn, it's fun...'**
