

# HUMAN PERSONALITY

## AND ITS SURVIVAL OF BODILY DEATH

BY

FREDERIC W. H. MYERS

EDITED AND ARRANGED

BY HIS SON

LEOPOLD HAMILTON MYERS

There is one passage,  
True, not alone, which I have never yet  
Able to explain to you — I think —

"Nay!" quoth the Angel, "Travail I will show you  
The insubstantial ether and the corporeal power  
Nay! not even that I have shown which even yet,  
That Power which lives a great upon the soul!"
