"T
Angélique! She could ensnare a conquering general, a handsome rogue, a scented courtier, a swordsman, a rascally jailer, the thief who ruled the Paris underworld, the King of France himself. She could make any man alive forget his loyalties, while she had only one — ANGÉLIQUE!

Angélique! "A magnificent figure, she is portrayed in every aspect of sacred and profane love. A panoramic drama, splashed against the background of 17th century France!"

CHICAGO TRIBUNE

Translated into all the most important European languages, a sensational runaway success in France, ANGÉLIQUE is one of the world's most fabulous bestsellers... "Gigantic historical, moves at express-train speed!"
