# HOW CAN GRAMMAR HELP YOU?

Statistics prove that people who speak and write correctly get ahead in life faster! Mastery of English is a main ingredient of success.

**GRAMMAR SELF-TAUGHT** is a concise, step-by-step guide that shows you how to use English effectively. It contains chapters devoted to every common problem in daily English usage: **Parts of Speech** (nouns, verbs, pronouns, etc.), **Phrases, Clauses, Sentences, Diction, and Syntax.**

Written by an outstanding teacher and authority on functional English, **GRAMMAR SELF-TAUGHT** contains a vast number of self-help aids, diagnostic tests, quizzes, and memory aids that make it the most practical handbook in the field.
