WHO IS

THE MAN

FROM

S.L.I.R.?

He's Aron Steele, top agent for the ultra-secret organization called Smash Lawbreakers and International Rogues—known all over the world as S.L.I.R.

And what makes him the top agent? It's a little pill called Vitamin QXR, which renders him 10 times as potent as ordinary men!

And that's vitally important—because his new assignment is to find and defeat Saigon Sally, whose method of attack is to love her opponents to death!
