M & E HANDBOOKS

Handbooks are comprehensive study notes designed to help students to prepare and revise for professional and other examinations. They can be used either on their own or in conjunction with recommended textbooks.

The inclusion of practical self-testing questions and hints on examination technique make Handbooks complete courses of tuition. The notes are prepared by experienced lecturers and examiners with the practical aim of helping students pass examinations.

BASIC ECONOMICS

A detailed examination notebook for students taking G.C.E. and Intermediate Professional examinations. The book follows the standard Handbook pattern and contains a wide selection of examination questions and hints on examination technique.
