THE TAROT

PATH TO SELF-DEVELOPMENT

Using beautiful and precise symbolism, the tarot represents life's journey. Each major card illustrates a critical stage on the path of human development. The journey begins with the *Fool*, humanity's impulsive and immature nature. It ends with the *Magician*, who has transcended self-centeredness and is skillful in all things. Along the way there are many steps. The *Sun*, the *Tower*, the *Lovers*, the *Empress* — each image is a link in the chain of being that must be fully experienced and understood. *The Tarot Path to Self-Development* shows how we can recognize the stages in the journey through life and thus awaken and transform our true selves.
