CONTENTS

- What is *everything* made of? 4
- What are the *smallest* things in the world? 12
- What is *electricity*? 14
- What makes things *hot* or *cold*? 18
- Where does *light* come from? 24
- How are *sounds* made? 28
- What keeps you from *floating* off the Earth? 34
- What makes *jets* and *rockets* go? 40
- What is it like in *outer space*? 44

**Why does water turn to ice
when it gets very cold?**

**Why can an airplane go through
the air without falling?**

Why is it always dark in outer space?

**Scientists know why.
You will know too—
when you read this
wonderful book of real science.**
