The Sensational Modern Sequel To
D. H. Lawrence's Famous Novel

Lady Chatterley's DAUGHTER

By
PATRICIA ROBINS

**6,000,000 British
readers thrilled to
this novel — now
published for the
first time in
America!**

The
DAUGHTER
of LADY
CHATTERLEY'S
LOVER

What was she like, the young and much-desired daughter of the famous Lady Chatterley and her gamekeeper-lover?

Was she as bold and wanton as her uninhibited parents?

Or did a guilty secret hold this haughty beauty on the brink of a surging passion?

In this daring novel of a woman's coming to terms with love, Patricia Robins has written a fascinating sequel to the novel by D. H. Lawrence as imagined by a contemporary writer.
