HERBERT READ

An abridged edition containing all the text with 111 of the black-and-white and 33 of the full-color illustrations that appeared in the original \$15.00 edition.

**A**  
ABRAMS

A most important book  
for all who would like to know  
exactly what has happened  
in world art since 1945.  
Through a large number of  
illustrations—both color  
and black-and-white—the  
reader is acquainted with the  
leaders as well as the most  
promising younger artists.
