HE WROTE HIS NAME IN **BLOOD!**

When Henry Morgan, the great buccaneer, defied the might of Spain, no golden city in the Caribbean was safe from his sword. With a rabble band of pirates he seized fabulous treasures and filled the chests of England's King.

While Morgan moved in blood and battle, lovely women yearned for his arms. Clarissa wanted to betray him—and saved his life. Carlotta, the exotic slave, dreamed of freedom in his love—and tried to poison him. And Mary Elizabeth, his wife, built him a fortune, but could not give him what he wanted most—a son.

CUTLASS EMPIRE, based on the life of a great adventurer, overflows with the love and heroism of a golden age.
