*The sign of a good marital
relationship is that it can
always get better—and it
goes on getting better.*

NEVILLE SPEARMAN
AND N.E.L.

A book of Love which stormed to the best-seller lists in Scandinavia, read by well over One Million people. This is the complete and unabridged illustrated edition of the most important book on Sex in existence today. The authors, both doctors, treat the question of sexual relationships with complete candour. Their disclosures will prove enlightening, and a guide to a complete and happier sex life.
