10 <i>Two Promises</i>	160
11 <i>A Companion Picture</i>	170

In writing the magnificent  
tale of *Quentin Durward* in the latter  
days of the French Revolution, Scott's  
fiction was not aimed at the greatest  
popularity any novelist has ever  
known. He told a thrilling story,  
filled with suspense and a swift nar-  
rative, and he peopled that story with  
entrancing characters. Their  
superb adventures have  
made a tale of two  
centuries one of the  
most exciting  
novels of all time.
