

AN AMAZING HOME-STUDY
COURSE in only 15 minutes a day

FASTER READING

SELF- TAUGHT

**YOU TOO CAN READ BETTER
AND FASTER!**

This simple five-step plan reveals how you can read up to 100% faster. At the same time you will understand more of what you read.

Statistics prove that fast readers advance to the top in business. This book can be your key not only to more knowledge and culture but also to higher pay and a better job.

By HARRY SHEFTER,
