FROM THE EDITOR'S DESK :

'Kala Vidhanam' is an Academy which encourages all Indian Arts. Primarily, we have a dance course which imparts knowledge in Bharatha Natyam and Kuchipudi, besides teaching other arts like Indian Music and Painting.

In our attempt to promote interest in good literature, we took the initiative in publishing this book of poems 'Musings of a Poet' by Shri .N.Jagannathan my revered father-in-law. We hope this book will entertain many a poetry lover and open new avenues of thought.

At this juncture, I would like to place on record my thanks to

- ★ Honourable Justice S.Mohan, for his interesting commentary on the poems.
- ★ Smt.Geetha Shankar a close friend of the family who helped to choose poems.
- ★ My father Dr.Kalkura who with studied fervour went through all the proofs.
- ★ For all the sketches done by Mr. Manickavacham, an artiste of repute from Regional Engineering College and associate closely with our school.
- ★ My sincere thanks to J. Ramanan, my Architect husband, who has been an inimitable source of strength and inspiration, who helped publish this book.
