macramé

In this comprehensive and fully illustrated book, designer-craftswoman Mary Walker Phillips guides the beginner in step-by-step macramé, the craft of creative knotting. Miss Phillips' work in macramé has been featured in national magazines. Among the numerous projects that she designed and created exclusively for this book are belts, sashes, hanging planters, pillow covers, wall hangings, and even rugs, plus fun ideas such as neckpieces and bracelets.
