HOWARD MURPHET

30 Years with the Avatar

ANOTHER TRIUMPH FROM HOWARD MURPHET

Here is a compelling new book by Howard Murphet, internationally acclaimed author of *Sat Baba: Man of Miracles*. In this latest volume, Murphet traces his experiences with Satya Sai Baba over the past three decades. This time, Murphet not only describes miracles vividly, but he shares his experiences and insights into Sai Baba's teachings.

He intimately describes how his understanding of the great Avataric being deepened as his inner view of Him increased over thirty years. *I became sure that I found the truth of His being and of all beings. I had found the pearl beyond price... The reason I was not the only one who held this priceless pearl was the book. The possession of it made brothers and sisters.*

Sat Baba's life and teachings are rich with inspiring and entertaining material. Murphet's storytelling with ease, life invites the reader to participate in the experiences of God.
