Note: Whenever there is a reference to direct conversations with Swami in this book, it refers to the author's experience in her meditative state with Sri Sathya Sai Baba.

There is a powerful silent revolution afoot bent on transforming the world into heaven...bent on the annihilation of all karmas that bind and hold our suffering souls hostage to the cycle of birth and death. The power of Radha's Prema and sixty years of penance are sending out waves of Love that are changing the earth. Bliss! Bliss!! Bliss!!!
..... the Bliss of Sai is resonating, affecting the very fabric of our being- uplifting, healing, preparing us for the Grace that will carry us into the liberation of the Sathya Yuga.... into the bliss and Truth of the Sai Chaintanya Yuga.

"On the morning of April 17, 2002 at 4 am Bhagavan Baba, making me Shudha Sathwa (pure consciousness) caused me to merge with Him. Swami has declared this unique merger as the foundation stone for the Sathya Yuga." (Vasantha Sai)

"The task of one side of the coin will be over and that of the other side will begin. After the teachings and preaching at Puttaparthi, Karma Samhara- the annihilation of karmas will begin here (at Mukthi Nilayam). You are going to remove the karmas of the world with a mother's compassion." (Sai Baba)
