LAST 7 DAYS OF GOD

by

MUKTHI NILAYAM - Thirumangalam, Tamil Nadu, India

The light of the New World floods my eyes. I did penance only for this. Here all are pure; therefore the Avatar's life is blissful. All my efforts for removing the faults of the previous Avatars have borne fruit. It is not enough to establish dharma. Swami and I have come to establish Prema. Our Prema feelings fill the entire world. This is Sathya Yuga.
