Vasanthi Sai  
**Satcharitha**

"This breath, which is only for You,  
Becomes the wind of Sathya Yuga.  
My call which never ends, thunder.  
The wisdom that arises, the lightning.  
My tears are the water." *Vasanthi Sai*

"Letter, letter, letter,  
Through your letters  
You change God.  
God is witness  
Witness God become  
Prema God.

Feelings, feelings, feelings,  
Through your feelings  
You change the world.  
Without Pralaya  
Kali Yuga becomes Sathya Yuga."

*Given in meditation by Sri Sathya Sai Baba*
