*Oh is it true! Is it a dream or reality?
Is this a phone call or soul call?
Oh my life force! Will 72 years of thirst
now be quenched?
Oh clock! Can you not understand the
urgency, my eagerness. Why has the sun
not risen?
Oh Surya Devat! Your dawn is Sethya
Toga's dawn.
Oh Swami! I will now come and see You.
Like a small child, my heart is jumping.
Oh car! Unite me with my life force!
Carry me to my Prabhu.*
