ॐ वार्धाय प्रतिबोधितां भगवता नारायणेन स्वयम् ।
 स्वासेन प्रथितां पुराणमुनिना मध्ये महाभारतम् ।
 ब्रह्मसूत्रवर्णिनीं भगवतीमष्टादशाध्यायिणीम् ।
 जंब स्वामनुसंदधामि भगवद्गीते भवेद्विपिणीम् ॥

Om! Bhagawad Goeta—with which Partha was enlighten-
 ed by Sri Narayana himself, and which was incorporated
 in the Mahabharata by the ancient sage Vyasa, Oh! Loving
 Mother, Bhagawad Goeta of the eighteen chapters, Thou
 who art perennially showering the nectarine philosophy of
 Advaita and who art the sure antidote to the rocking experi-
 ences of samsara, upon Thee I constantly meditate.
